

Baby Duck Worksheet

Apply values with the chisel edge of a #4 Chisel Blender. Wipe the brush and gently connect.

Chisel Blender

Use the Filbert Comb to begin to soften the fur areas. Thin the values and use the comb to layer dark and light values. Apply the color, wipe the comb and soften.

Filbert Comb

10/0 Liner

Use the liner to add final highlights and shadows. Sparkle dots in the eye and on beak.

-  Baby Pink
-  Light Yellow
-  Medium Yellow
-  Dark Yellow
-  Dark Brown
